# Team up and build interdisciplinary projects with the help of Ironhack graduates from around the world.
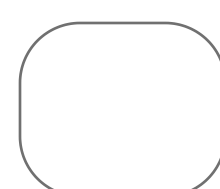

For bootcamp graduates who want to keep learning, sharing and take on the tech world together
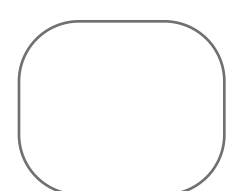

Start building now

Have an idea for a cool project ? Here's how it works :

Post your project on the board
and specify the skills needed to do it

Find the needed skills amongst your peers
from other Ironhack bootcamps

Team up, collaborate and build projects
to add to your portfolio

Keep on learning by sharing your best ressources
and take your skills to the next level

Take me to the project board

What kind of Ironhacker are you ?

Which course did you take ?

Which year did you graduate ?

Which city are you based in ?

What are your main skills ?

What kind of projects do you want to do ?
